MEMORANDUM FOR: [REDACTED]

SUBJECT : Request for [REDACTED] Publication

25X1A2d1

1. Would it be possible for [REDACTED] to send me two copies of the most recent sanitized Economic Intelligence Statistical Handbook for passing on to key counterparts? In a recent discussion [REDACTED] head of [REDACTED] showed me a dog-eared copy of the 1969 issue, told me how useful it was, and wondered discreetly if a more recent one might be available. If you can make copies available, I think it would be useful also to pass one on to [REDACTED]

2. If past patterns hold, I'm guessing that copies of the 1972 sanitized book will be arriving fairly soon for distribution [REDACTED]
